REPORT

Date April 26, 1933.

Subject (in full) Movement to close local cinema theatres by so-called patriotic group.

Made by D. S. I. Golder Forwarded by Thos Robertson Sub.

Coincident with the intensification locally of the campaign to collect funds for the north Eastern Volunteers which occurred early in January, 1933, a movement was set afoot to force local cinemas, catering to the Chinese, to close on certain dates in observance of the national crisis. To gain this end, letters containing threats of punishment for non-compliance and signed the "Spiritual National Defence Group" (精神衛國團) were delivered to most of the local theatres but only those listed below had the courage to report the matter to the police :-

1. Chekiang Theatre, 123 Chekiang Road.
2. Shanse Theatre, ⁴⁷⁰North Shanse Road.
3. Eastern Cinema, 45 Kwenming Road.
4. Willies Theatre, 313 Chapoo Road.
5. Greyhound Ball Room, Sun Sun Building, Nanking Road.
6. Great Eastern Hotel Ball Room, Kin Wo Ka, off Nanking Road.
7. Peking Theatre, Kweichow Road.
8. Palace Theatre, Pakhgi Road.

Enquiries were instituted but little was learned of the promoters beyond the fact that they were undoubtedly connected with the various quasi-secret societies collecting funds for the support of the North Eastern Volunteer Armies actively engaged in an attempt to dislodge the Manchukuo and Japanese forces from Manchuria.

The movement locally was conducted along the lines adopted by a similar group in Peking who by intimidation caused practically every cinema in the old

By the end of February, 1933, the activities of the Spiritual National Defence Group had ceased, due largely to the action taken by the local Chinese Authorities who discovering that the bases of the various societies were situated in their territory, were eventually successful in eradicating them.

Subject (in full) Spiritual National Defence Society -
Threatening letters received by
places of entertainment.

Made by and Forwarded by Superintendent Robertson.

With reference to memo submitted by Senior Detective, Louza, on January 26, the organizations to which he refers were those responsible for collection of contributions in the Settlement and whose suppression was recently effected by the Bureau of Public Safety through the offices of the Kuomintang. Nothing is known of the Spiritual National Defence Society but it is not unlikely that it is a group of self styled individuals following on the lines of the "Blood & Soul Society for the Extermination of Traitors" and taking their cue from the so-called self denial campaign in Peking where the activities of certain "patriotic" elements are directed towards discouraging theatre going and other forms of entertainment during the present national crisis.

RECORD OF INVESTIGATION.

LETTER RECEIVED BY GREYHOUND BALL-ROOM MAKING DEMANDS.

At 6.45 p.m. 25-1-33, Mr. Woo, Manager of the Greyhound Ball-Room (Sun Sun Co.), brought a letter to the Station which he stated was received by post at 8.30 a.m. 25-1-33.

A translation of this letter which is given below corresponds with that published in the Intelligence Report of 24-1-33 (Political):—

Management of various local theatres and cinemas:

Though the North East has been lost for over a year, the Government is still in a dilemma. Fortunately, Generals Soe Ping-ven and Vung Chuen-hai put up a desperate resistance against the Japanese and are still continuing their efforts in the field against the enemy. Reading yesterday's newspaper, we learned that some 400 soldiers under the control of General Ding Tieh-mei were frozen to death on the "Dah Ku" Mountain, while the people are enjoying their life in the amusement resorts. Such a state of affairs is to be condemned. We should really check the latter by force, but on the other hand we must consider the livelihood of the employees of theatres and cinemas, so therefore we request you to show yourself to be a true citizen by appropriating 20% of your proceeds through the sale of tickets for the support of the North Eastern Volunteer Army. In addition, please publish in the newspaper commencing from January 23 the organ to which you are contributing and the date of contribution, verified by any local patriotic body.

In view of your patriotism, we believe that you must accept our suggestion. Should you ignore it, we will mete out severe measures to you. Do not say that we failed to advise you beforehand.
